## HOME SCHOOL AGREEMENT

Our school values every member of the school community. We aim to provide an environment that nurtures **C**onfidence, **A**chievement, **R**espect and **E**nthusiasm (C.A.R.E.) in all aspects of life. We all work together to provide a happy, safe and secure school in which we encourage all children to set their sights high, to make the most of their talents and to celebrate differences. We work hard to create challenging and fun learning opportunities that enable everyone to be confident and responsible members of the society in which we live. The staff and governors are committed to maintaining the strong and supportive partnership between pupils, parents, carers, teachers and the wider community.
