

Why it gets dark

How the weather changes in Autumn.

The leaves on the trees change colour and fall.

It gets dark earlier in Autumn.

Autumn 2

We will be learning..

Light and Dark

Animals that live in the dark

Animals that come out at night and sleep in the day are called nocturnal.

Where they live.

What they eat.

What they look like.

How to light the dark

Light's effect on darkness.

What is your favourite festival?

How we celebrate birthdays and that I have my own birthday.

How others in my class celebrate.

Visit from a teacher from another class.

Festivals of light

Halloween is a festival where people dress up in costumes.

People carve pumpkins to give them faces.

In our country people celebrate Bonfire Night by going to a bonfire and watching fireworks.

At Bonfire Night we drink hot drinks and eat yummy food.

How to stay safe around a bonfire.

We celebrate Christmas by putting up trees and decorating our house.

We give presents at Christmas.

The Nativity story.

Diwali is a festival celebrated by Hindus. It comes from India.

People decorate their houses with lights and rangoli patterns.

Namaste means hello in Hindi.
