

At Lantern Lane Primary and Nursery School, we value MFL. The main purpose of learning a foreign language is to provide a valuable, educational, social and cultural experience for all pupils. It helps them to develop communication skills including the key skills of speaking and listening and extends their knowledge of how language works. Learning another language gives children a new perspective on the world, encouraging them to understand their own cultures and those of others.

LLPS MFL Curriculum Overview

	Autumn		Spring		Summer	
EYFS	Numbers		Colours	Basic Greetings	The Body	Transport
