

Assembly Programme:

Our assembly programme is an important part of our curriculum offering. Whole school assembly takes place on a Monday morning and is led by either Mrs Thompson or Mrs Hancock. It is an opportunity to reinforce key messages from our intent statement; launch themed weeks, e.g. Anti-Bullying or Mental Health Awareness; celebrate the diversity of our amazing world, and reinforce key PSHE teaching that supports a productive & harmonious school community. Often, the themes are planned in advance but they are also sometimes chosen in response to what we observe or hear within school or the local community. Please see below for a brief overview of the whole school assemblies enjoyed so far this year.

Golden Book Assembly, where we celebrate children who embrace our C.A.R.E values, takes place on a Friday.

On all other days, assemblies take place within classes, year groups or key stages.
