

At Lantern Lane Primary and Nursery School, we value MFL. The main purpose of learning a foreign language is to provide a valuable, educational, social and cultural experience for all pupils. It helps them to develop communication skills including the key skills of speaking and listening and extends their knowledge of how language works. Learning another language gives children a new perspective on the world, encouraging them to understand their own cultures and those of others.

LLPS MFL Curriculum Overview

	Autumn		Spring		Summer	
EYFS	F.1 French in the early years is taught through a variety of songs and rhymes. The children learn about similarities and differences between themselves and others & among families, communities & traditions. They show an interest in different occupations & ways of life and that in other countries different languages are spoken. Children listen and respond to songs & rhymes appropriately.					
F.2	Greetings Children learn where France is & how we can get there.	Christmas in France Children learn about some French traditions.	Count to ten Children begin to recognise & join in with counting to ten.	Colours Children begin to recognise & respond to some colours in French.
